What is 3Meds Franchisee Model

3Meds Franchise Model is not the traditional franchise model. Our model is an **agent assisted e-commerce model** where the agent is the franchise Partner of 3Meds. Here Franchise as a focal point ensures quick transaction facilitation, hassle-free delivery and customer support.

Franchise role is to assist customers buy medicine Online through medicine point and earn as much as he/she can.

Why 3Meds Franchisee

3Meds.com is a futuristic company with the dream and ambition of bridging the gap between accessible quality healthcare and every citizen of this country. 3Meds aims to be a provider which would bring all healthcare stakeholders on a single platform enabling customers to enjoy a smooth healthcare experience". To sum up briefly, we aim making healthcare affordable, accessible and simple.

There is a lack of regulation, as well as fragmentation within the supply chain of medicines, allowing the entry and distribution of poor quality, low grade medicines. 3Meds offers its customers guaranteed doorstep delivery of genuine medicines. This guarantee of quality results in reordering. In time, the franchise benefits from the construction of a customer base which is loyal.
